In order to receive your special pricing, on the first page, make your choice in the service type called Airport Service. Choose “Shuttle Shared Ride” or “Exclusive Private Car”. Choose your origin and destination and click on ‘One-Way’ or ‘Round Trip’, then enter your conference code (569) which is assigned specific to ANCC and click on “Book Now”. Pricing for this choice will automatically be discounted, based on the code you are using.

The next few screens will gather information we require to provide you with the appropriate pickup times, etc. The pickup and drop off information pages contain list boxes from which you can simply choose your hotel. Our system will then fill in the address information.

On the Payment screen, choose to pay for your reservation with a credit card. Simply ensure “credit card” is ticked off, and enter the information. If you would prefer to pay the driver, click on “Cash to driver” and then you must fill out the credit card information . When this is the case, we do not charge your card, but we do pre-authorize the amount of the reservation, to ensure we have a valid credit card for guarantee purposes.

Then click (only once) the “Submit” button. It will provide a confirmation number, which you can print as your receipt, or choose to receive an email confirmation of the reservation.
